

Westbury Place HOA

Mailbox Rules and Regulations- Updated 8/1/22

- 7.12, 7.14, 8.2 - No mailbox shall be replaced or altered without the prior approval of the HOA Board.
- No PVC/Plastic posts/mailboxes are permitted. Those sublots that were installed PVC/plastic post/mailboxes by Pulte Homes in error are grandfathered in until replacement is necessary.
 - Those mailboxes will then have to be replaced matching the wood posts and mailboxes of the rest of the development.
- If any other material such as brick or stone is desired, an architectural request must be submitted for HOA Board review.
- Homeowner must adhere to all Brunswick Postal Service, Brunswick Hills Township and Medina County rules, regulations, and revised codes as well in addition to Westbury Homeowners Association rules.
- If your mailbox is damaged from the Township during snow removal, please contact the Township Service Department immediately to address the concern for repair.
- Any mailbox/post erected without HOA approval is subject to removal at homeowner's expense.
- Any questions or concerns please reach out to the HOA Board at westburyhoa@yahoo.com prior to your installation.
